The amended report shows the new treasurer as of March 2005. As an addendum to the previous amended report on 12/7/05 in order to further clarify the added expenditures and disbursement made on my February monthly report. The additional disbursements and receipts shown on the amended report are due to a miscommunication during the transition of Comptrollers. Specifically, how to properly import and disclose expenses that were paid on a split. Kimberly did not clearly understand that she had to take further steps after she imported the information into her FEC file software in order to properly show the non federal portion of the disbursements and the receipts paid by the non federal account. As soon as Kimberly was made aware of the omission she immediately corrected any reports that did not properly disclose allocable expenses. All reports going forward will correctly disclose allocable expenses. The additional disbursements and receipts did not adjust the Cash on Hand balance as it was the regular practice of the IDP to exactly match the non-federal portion of expenditures on a regular basis. (2) The insurance, payroll and payroll taxes paid for employees that spent more than 25% of their compensated time on FEA were paid federally and the other expenses paid on allocation were for non federal employees. Lines 11 and 17 have been corrected

Funds from the Auditor of Indiana reflect payment from individuals who purchase personalized licence plates, which, by state law, are forwarded to the political party whose plates are selected. It is our understanding that these are permissible federal dollars.
